

My Book Review of My Brother's Famous Bottom

Title My Brothers Famous Bottom

Author Jerry Strong

Illustrator Nick Sharratt

I'd give this book..... 10/10

This book is about... a family
with a silly dad and some very funny
children.

I love this book because...
It is very funny and even
has some cheeky words in it.

by JACK

Here is my favourite character with 5 words to describe the way they look and 5 words to describe their personality.
