Pupil Premium Funding Planned Spend 2016-2017

Allocation: £6,600

The Pupil Premium is an element of school funding aimed at narrowing the gap in attainment between certain disadvantaged groups of pupils and those who are more well off. For 2016-2017 funding will be calculated on the basis of £1320 for each pupil who is eligible for free school meals in the past six years, and £1900 for looked after children in care for more than six months. There is a related Service premium of £300 for children of families in the armed services.

Each year to ensure the most effective use of the Pupil Premium money we seek feedback from pupils, parents and staff to ensure the money is being used in the best way to support the development of our pupils. We carefully track the effectiveness of our expenditure through detailed provision mapping. At present, the following actions are planned for this academic year (more actions will be taken based on the needs of the pupils throughout the year):

| Actions planned | Intended outcomes | Evidence: pupil attainment & progress |
|--|--|--|
| ARCH reading programme and Pets as Therapy Reading | Pupils develop a love of Reading and their confidence grows enabling them to access other areas of the curriculum. Increase in National Curriculum Reading levels. | |
| Educational trips and visits | Enables pupils to access the entire curriculum. | |
| Horseriding | To widen pupil's experiences and help with social and emotional behavioural difficulties | |
| Resources and staff training to support individual needs | Staff become more confident and effective in supporting pupils specific needs. | |
| Music tuition | Children be given the opportunity to learn a musical instrument. | |
| 1:1 Classroom support (mainly phonics and Maths) | Allow pupils to access the curriculum and improve focus skills. | |
